

ADDENDUM #1

Small Rural Hospital Population Health and Hotspotting Project RFA-2021-DPHS-06-SMALL

On January 22, 2021, the New Hampshire Department of Health and Human Services published a Request for Applications (RFA) to solicit applications for the provision of targeted services for the thirteen (13) New Hampshire Small Rural Hospitals (SRHs) in order to identify the needs of the population residing in their service areas and to engage hospitals in billing and coding trainings.

The Department is publishing this addendum to:

1. Delete and replace Section 1, Proposal Process, Paragraph 1.5, Mandatory Responses to RFA Questions, Subparagraph 1.5.2 with the following:

- 1.5.2. **Scoring Applicant Professional Relations** – Applicant experience will be allocated a maximum score of 50 points. Applicants must demonstrate the experience to perform all services requested in this RFA.

Question 2 of 3 – Describe, in narrative form, your professional relationships with the New Hampshire Small Rural Hospitals in relation to performing all services requested in this RFA.
